Welcome

to Sandy Point State Park!

Sandy Point was developed as a park in the 1950s by the State of Maryland in response to the need for recreational opportunities on the Chesapeake Bay. Sandy Point's unique position on the bay offers an unparalleled view of the Chesapeake Bay Bridge and the frequent passing of seagoing freighters, sailing regattas, and the renowned Skipjack, the only sail powered working vessel in North America.

Recreation

Swimming

The park beaches are among the finest on the Chesapeake Bay. For your safety, please obey swimming signs.

Fishing

Sandy Point holds a constant appeal, providing rockfish, perch, carp and bluefish. Surf fishing is excellent and crabbing is also very popular. A Chesapeake Bay Sport Fishing License is required for those 16 years of age and older. Fishing and crabbing licenses are available for sale in the Marina Store. Please obey the fishing signs.

Boating

The Sandy Point Marina provides 22 boat launching ramps. Rowboats and 6 hp motorboats may be rented. Contact the office for availability and hours of operation. You can launch your windsurf boards, hobby cat, canoe, kayak or catamaran from the Small Craft Launch area and then go explore the bay. It is recommended that all Personal Water Craft be launched at the boat ramps.

Boat safe. Wear your life jacket, check the weather and leave a float plan.

Marina

Bait, tackle, fuel, ice, fishing licenses, boating supplies, snacks and picnic supplies are available at the Marina Store.

Hiking and Biking

Sandy Point has approximately two miles of trails in the park. Most trails are available for biking. Approximately four miles of hiking trails are available at Corcoran Environmental Area. Contact the park office for information on the Corcoran Area.
